

A dark blue, octagonal umbrella is shown from a top-down perspective. The umbrella is fully open, revealing its central button and the radial ribs that support the canopy. The canopy is divided into eight triangular segments by the ribs. Two labels are placed on the canopy: one at the top and one at the bottom. The top label is enclosed in a yellow border and contains the text "TT/TC - 150x100 mm". The bottom label is enclosed in a white border and contains the text "S - 200x150 mm".
